

Government of India  
Ministry of Communications & Information Technology  
Department of Information Technology  
**National Informatics Centre**  
District Collectorate, Gadchiroli  
Dist. Gadchiroli - 442605

**National Informatics Centre** is the pioneer Government Organization in the field of Information Technology. In Gadchiroli District, NIC's District Informatics Centre is came into existence in the year 1988 and is located in Collectorate Building. The Centre has played major role in spreading Informatatics Culture among the Govt. Offices, staff and people in this **Tribal, Socially handicapped and Industrially Undeveloped District** by implementing various application packages for Collectorate, Zilla Parishad and other Govt. Offices, conducting Computer Awareness Trainings Programs and providing Satellite based E-mail facility.

**The main objectives of NIC's District Informatics Centre are;**

- To provide software support to the District Administration ( Collector Office, Zilla Parishad, Treasury etc.) and other State Government Offices.
- Implementation of NIC Hq. and State Centre sponsored project for the district level government offices.
- To create Informatics Culture in the district.
- To provide Satellite based E-mail and Internet facility.
- To provide technical support for Video Conference
- To conduct training programmes for the user departments for their projects and softwares being implemented.
